

**Summerseat Methodist Primary School**

*'Inspired by our faith in God, together we believe, explore, persevere and flourish'*

# My Reading Journey

---

**'Love your neighbour the same as you love yourself.'** (Matthew 22 v 39)

Summerseat Methodist Primary School strives to enable our community to explore in their learning and persevere independently and collaboratively. Inspired by the words of Jesus, "Love your neighbour", we welcome and respect the rights of all in our diverse society. We live by the values of respect, joy, love, care, trust, forgiveness and equality.

*Our approach to reading in Reception and Key Stage One is initially to provide children with reading books that support them in acquiring knowledge of phonic sounds and opportunity to practice and consolidate the work they do in school on 'Letters and Sounds', our chosen phonic approach. Our reading scheme books are, at the early stages of reading, closely matched to phonic teaching.*

*We also believe that children need to enjoy stories and be exposed to common irregular high frequency words. This is why, alongside our Oxford Reading Tree phonic books, develop and decode and Biff, Chip and Kipper books are also used.*

*For children who require more opportunity to work within each reading level, we use Rigby Star books and Project X books (again with a phonic strand) to supplement our main route which is Oxford Reading Tree phonics, Develop and Decode and the Biff, Chip and Kipper series.*

Summerseat Reading Scheme Level 1 - Lilac							
Oxford Reading Tree - Phonics	Date	Oxford Reading Tree	Date	Rigby Star	Date	Project X	Date
